

# Kaan'ın Kalem Kutusunda Neler Var?

Kaan'ın kalem kutusunda bir kırmızı kalem, bir kurşunkalem, bir silgi ve bir kalem tıraş var. Aşağıdaki sıraların her birinde bunlardan biri eksik. Boş yerlere eksik olanları çizer misin?

|                                                                                     |                                                                                     |                                                                                      |  |
